NEW!

State of the Art Pneumatic stapler

Features:

- Compact design.
- Sequential safety.
- Easy bottom loading magazine.
- Strong and light weight die cast body.
- Comfortable rubber grip.

Designed for use in joiner, furniture, trellis & garden edging industries in many different applications. The sequential safety mechanism enables fast and accurate driving of fasteners.

The 90.38BSQ has a bottom loading magazine which holds upwards of 100 staples. Its narrow nose allows for accurate placement of staples.

The 90.38BSQ drives: 18 gauge staples
