

USSJK16

State of the Art Pneumatic Stapler

Features:

- Long nose for easy use.
- Rear exhaust.
- Rubber grip.
- Fast bottom loading magazine.

The USSJK16 air tacker features a convenient bottom loading magazine with easy release and is light-weight for better manoeuvrability.

Staples feature a narrow 4.1mm crown which gives good holding power but is also discreet.

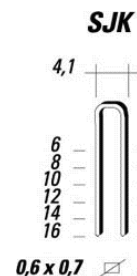

The fine wire staple is ideal for use when assembling wooden gift boxes or when fixing backboards into picture, mirror wooden frames and Greenboard wall lining.

Coloured staples are also available for use when upholstering backs of furniture or fine crimp work.

AN OUTSTANDING TOOL FOR:

- Small box assembly.
- Shoe manufacture.
- Brushes and paintbrush construction.
- Upholstering backs of furniture.
- Greenboard wall lining.
