 Magazine Capacity: 100 -120 Staples
 Air Pressure: 5 to 6 KpA (50-70psi)

Features:

- Single or Twin head stapling
- Head spacing from 10mm up to 200mm
- Easy front loading of up to 120 staples
- Stapling depth from 3mm up to 23mm
- Staple/bindery counter
- Touch switch activated

Designed for use in packaging, binderies, print shops, schools and clubs in many different applications.

SIFCO® PDHS26-2 Twin Head Air/Electronic Twin-head stapler can staple from 2 to 40 sheets of 80gsm paper.

The PDHS26-2 Air/Electronic Twin-head stapler can be set up to use one stapling head or two (a third head can be added at an additional cost)

The PDHS26-2 is activated by a trip switch and staples one or two staples at the same time.

The spacing between the stapling heads can be adjusted so the spacing between the staples can range from 10mm up to 200mm.

All you need to do is connect air, plug in the power and turn it on and it's ready to go.

Insertion depth is adjustable from approx. 3 up to 23mm

Each stapling head holds up to 120 staples at a time

Product Code	Box Qty	Length
26/6	5,000	6mm
66/8	5,000	8mm
24/6	5,000	6mm
24/8	5,000	8mm
