- Bottom opening for easy loading
- Safety handle lock system

The AT511 tacker is a light weight tacker for both staples and brads. Built for the home, hobby or office use, it offers versatility of fasteners and features.

The AT511 has a bottom loading magazine capable of holding 100 staples or brads. It has an easy squeeze locking handle, so that strong fastening can be achieved without applying force.

AT511 uses the following galvanised staples:

Staple code	Box Qty	Length
1006	1,000	6mm
1008	1,000	8mm
1010	1,000	10mm
13/6	5,000	6mm
13/8	5,000	8mm
13/10	5,000	10mm

Galvanised brads:

Brad code	Box Qty	Length
F10	2,000	10mm
