EP6C-8 SERIES Stapling Pliers

All Purpose Metal Hand Tacker

EP6C-8

EP6C-8P

Features:

- All steel construction
- One hand operation
- Fast and powerful fastening
- Heavy Duty
- Extra tight closure

Designed for penetrating the toughest corrugated cardboard and many other tough materials with ease, yet small enough to be hand held like a pair of ordinary pliers. A squeeze of the handle drives and clinches a strong staple forming a neat, tight closure.

The EP6C-8 series pliers save time and money on many fastening jobs as they are lightweight and can be easily carried to the work.

The EP6C-8 series pliers have many uses in manufacturing, attaching tags and tickets, assembling and sealing various types of bags and cartons. An excellent dispatch/shipping room tool for sealing flexible corrugated wrappings, multi-wall bags, cloth bags and repairing cartons for reuse.

AN OUTSTANDING TOOL FOR:

- Fastening merchandise display signs
- Cardboard box packaging
- Multi-wall bags
