

F1B97B-25 Air Stapler

State of the Art Pneumatic Stapler

Features:

- *Contact trip mechanism for safer operation.*
- *Quick bottom loading magazine.*
- *Strong and lightweight die cast body.*
- *Cushion rubber grip.*

Designed for use in the furniture and woodworking industries in many different applications. The contact trip mechanism enables safe but fast driving of fasteners.

This tool is ideally suited for jobs that require a short staple such as assembly of wooden gift and produce boxes, and fixing cane beading and decorative mouldings to furniture.

The F1B97B-25 has a bottom loading magazine which holds upward of 150 staples per load. Its small nose allows for accurate placement of staples.

AN OUTSTANDING TOOL FOR:

- *Assembly of picture frames.*
- *Attaching cane beads.*
- *Assembly of wooden gift boxes.*
- *Assembly of wooden produce boxes.*
