

NEW!

USA1116 140 Series Air Stapler

State of the Art Pneumatic Stapler

Features:

- *Trigger fire for speed.*
- *Quick bottom loading magazine.*
- *Strong and light weight die cast body.*
- *Cushion rubber grip.*

Designed for use in the building and timber processing industries, in many applications. The rapid fire trigger enables fast driving of fasteners.

This tool is ideally suited for jobs that require a short staple such as attaching building paper, plastic wrap and product labels.

This tool is commonly used in the timber processing industry for wrapping and labelling export timber packs.

AN OUTSTANDING TOOL FOR:

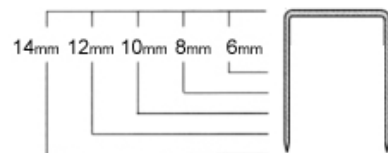

- *Attaching strapping to building paper.*
- *Fastening cardboard protective wraps.*
- *Applying plastic wrap to timber.*
- *Tagging timber.*
- *Underfloor insulation.*
