State of the Art Pneumatic Bradder

Comes in a plastic carry case with oil bottle

AN OUTSTANDING TOOL FOR:

- Sash and door mouldings
- Cabinet manufacture
- Toy manufacture
- Picture framing
- Marine joinery
- Gift and novelty crafts

Specifications:

Length:	235mm
Height:	200mm
Width:	57mm
Weight:	1.15kg
Magazine capacity:	110 brads
Air Pressure:	60-100 psi

Features:

- Excellent durability
- Reliable rugged construction
- Light weight die cast body
- Fast side loading
- Rubber handle grip

Designed for use in furniture, construction and woodworking industries in many different applications.

The TYI1832 has a magazine which holds upwards of 100 brads per load. The magazine opens to allow easy and fast side loading of brads.

The tool has a narrow nose which enables accurate placement of brads close to edges and in tight corners.

TYI1832 drives:

Product code	Box Quantity	Length
