

PNEUMATIC TOOLS AND FASTENERS

50.16RB Air Clinching Stapler

*State of the Art
Packaging Stapler*

Complete with tools and oil bottle

- Bottom loading magazine
- Very manoeuvrable
- Flexible stapling anvil
- Strong and light-weight die cast body, with rear exhaust

Designed for use in the packaging industry. The OMER® 50.16RB Stapler is suitable for all types of small cardboard packaging applications.

AN OUTSTANDING TOOL FOR STAPLING

- Small boxes
- Parcels in despatch areas
- Fruit and produce boxes
- Leader cards and packaging

The 50.16RB Air Stapler helps reduce repetitive motion problems with its light trigger action and flexible stapling anvil. It can be mounted on a benchtop for stapling header cards or small boxes.

The OMER® 50.16RB has a bottom loading magazine which holds upwards of 84 staples per load.
