

### Professional Clinching Tool

#### Features:

- New light weight body.
- Rear loading with built-in pusher.
- Powerful jaws.
- Strong but lightweight and simple to operate.
- Uses bright steel, stainless steel clips.

#### AN OUTSTANDING TOOL FOR:

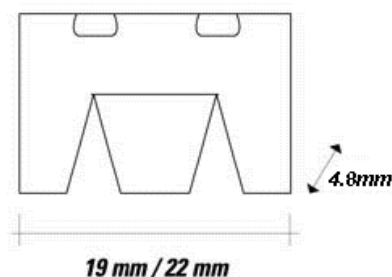

- Assembly of mattress spring sets.
- Fastening edge wires to springs.
- Assembly of upholstery spring sets.
- Fixing lateral support wires to no-sag spring.

The AFV01 clip clinching tool is suitable for all types of applications. It has been designed for the tradesman who want to firmly hold two or more wires together .

The AFV01 is ideal for the assembly of mattress spring sets, including edge wires to springs and fixing lateral support wires to no-sag springs in lounge suite where a firm hold is required.
