

## Titan 6

### Oil-less Portable Compressor

NEW!

A new Generation of high performance compressors from SIFCO

- \* *Maximize production*
- \* *Minimize operator fatigue*

#### Features:

- *Light-weight and manoeuvrable*
- *6 Litre tank*
- *Oil-less operation*
- *Clean dry air supply*
- *Easy to carry*
- *Auto thermal cut-out for motor protection*

Designed for the smaller operator, the TITAN 6 compressor combines light-weight portability with Oil-less operation. The use of direct drive motor considerably increases the efficiency of the pump. This compressor is ideal for picture framers, carpet & vinyl layers, underfloor insulation installers etc.

The TITAN 6 compressor incorporates a pressure switch for automatic cut-in and cut-out of the motor. There is a air flow regulator to maintain the correct pressure to the tools to suit your job requirements and 6mm quick release coupler for the air hose.

#### Specifications:

Length:	340mm
Height:	495mm
Width:	290mm
Weight:	13.2kg
Max pressure:	116 psi
Tank Capacity:	6 Litres
