## State of the Art Pneumatic Stapler

### Features:

- Long nose for easy use.
- Rear exhaust.
- Rubber grip.
- Fast bottom loading magazine.

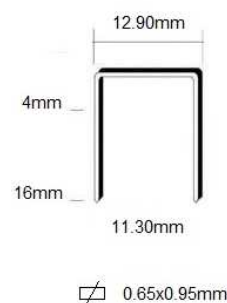

The F1B80-16 air tacker features a convenient bottom loading magazine with easy release and is light-weight for better manoeuvrability.

Staples feature a wide 12.9mm crown which gives good holding power, but is also discreet.

The fine flat wire staple is ideal for use in upholstering leather, canvas, cotton and polypropylene fabrics for chairs, lounge suites and office partition screens.

This tool is commonly used in the timber industry for tagging and wrapping packs of timber.

### Staple size:

### F1B80-16 drives the following staples:

Staple Code			Length
