

TN.732 Air Flooring 'T' Nailer

- **Compact design**
- **Sequential safety**
- **Easy back loading magazine**
- **Strong and light weight die cast body**
- **Comfortable rubber grip**

Designed for use in the carpet laying and construction industries in many different applications. The sequential safety mechanism enables accurate driving of fasteners on detailed work.

The TN.732 has a back loading magazine which holds upwards of 80 'T'nails'. Its narrow nose allows for accurate placement of 'T'nails'.

AN OUTSTANDING TOOL FOR:

- Nailing carpet strip to concrete
- Nailing skirting for steel frame houses
- Metal cladding to wood
- Timber to steel or concrete
