

SN40S2-ST Air Stapler

Features

- Sequential trip mechanism for safer operation.
- Quick top loading magazine.
- Strong and light weight die cast body.
- Cushion rubber grip.
- Depth control.

Designed for use in furniture, construction and woodworking industries in many different applications. This tool is ideal for fastening large corrugated cardboard cartons onto pallets, also for stapling across timber joints in the manufacture of wooden lounge suite frames.

The SN40S2-ST has a top loading magazine which holds upwards of 150 staples per load. Staple supply is viewable from the side so the user can easily determine how many staples remaining.

The sequential trip mechanism enables safe but fast driving of fasteners.

SN40S2-ST drives the following staples:

Staple code	Box Qty	Length
BCS2-2519	10000	19mm
BCS2-2522	10000	22mm
BCS2-2525	4500	25mm
BCS2-2532	10000	32mm
BCS2-2538	10000	38mm

AN OUTSTANDING TOOL FOR:

- Sheathing
- Lathing wire & insulation material
- Corrugated containers to pallets
- Furniture & cabinet making
- Light pallet construction

Specifications:

Length:	363mm
Height:	251mm
Width:	94mm
Weight:	2.5kg
Magazine capacity:	160 staples
Air Pressure:	70-130psi
