

## PN100 Coil Nailer

### Features:

- *Heavy duty and easy to use.*
- *Adjustable exhaust deflector.*
- *Fast loading and well balanced.*
- *Loads up to 250 nails at one time.*

Designed as a fast cycling, heavy duty coil nailer for use in the pallet industry.

The PN100 coil nailer drives a range of nails from 65mm up to 100mm long.

It has superior driving power and manoeuvrability with low recoil to reduce operator fatigue.

Ideal for pallet assembly, 4 way pallets, using smooth, screw or ring shank nails.

### AN OUTSTANDING TOOL FOR:

- *Pallet assembly.*
- *4 way pallet assembly.*

### Specifications:

|                    |                                  |
|--------------------|----------------------------------|
| Length:            | 338mm                            |
| Height:            | 417mm                            |
| Width:             | 156mm                            |
| Weight:            | 5.5kg                            |
| Magazine capacity: | 250-300 nails                    |
| Air Pressure:      | 70-120 psi<br>(5 to 8 bar)       |
| Air Consumption:   | 6.8 CFM (3.2L)/<br>cycle @ 90psi |
