NEW!

State of the Art Pneumatic stapler

Features:

- Sequential operation
- Quick top loading magazine
- Strong and light weight die cast body
- Rubber comfort grip
- Narrow nose for better placement

Designed for use in joiner, carpet layer, furniture, trellis & garden edging industries in many different applications. The sequential safety mechanism enables fast accurate driving of fasteners.

The 90.32SQ has a top loading magazine which holds upwards of 110 staples. Its narrow nose allows for accurate placement of staples.

The 90.32SQ drives: 18 gauge staples
