

# EVERWIN®

NEW!

## SN65Q-ST Air Stapler

### Features:

- Strong die-cast body.
- Quick release nose for clearing of jams.
- Quick top loading magazine.
- Adjustable exhaust deflector.
- Cushion rubber grip.
- Sequential safety mechanism.

Designed for use in furniture, construction and woodworking industries in many different applications.

The SN65Q-ST has a top loading magazine which holds upwards of 130 Q series 15 gauge staples per load. Staple supply is viewed from the side so the user can easily determine the remaining staples.

This tool has a sequential safety trip for accurate driving of fasteners.

### AN OUTSTANDING TOOL FOR:

- Furniture frames
- Crating & Pallets
- Roof decking
- Sheathing
- Fencing
