

FS9240BC-ST Air Cap Stapler

State of the Art Air Cap Stapler

Features:

- Depth control adjuster.
- Quick bottom loading magazine.
- Rear exhaust deflector.
- Strong and light weight die cast body.
- Cushion rubber grip.

Designed for holding building wrap to house frames, and packaging to wood products.

The FS9240BC-ST has a bottom loading magazine which holds 100 staples per load. Staple and cap supply can be viewed from the side so the user can easily determine the remaining fasteners.

AN OUTSTANDING TOOL FOR:

- Securing building paper.
- Fine wire netting.
- Securing plastic wrap to packs of timber.

Specifications:

Length: 255mm
Height: 259mm
