

SIFCO®

ENERGY 12

Oil-less Portable Compressor

The next Generation of high performance oil-less compressors

NEW!

- * *Maximize production*
- * *Minimize operator fatigue*

Features:

- *Light-weight and manoeuvrable.*
- *12 Litre tank.*
- *Oil-less operation.*
- *Clean dry air supply.*
- *Easy to carry.*
- *Fast recovery.*

Designed for the construction industry, the ENERGY 12 compressor combines light-weight portability with oil-less operation. The use of direct drive motor considerably increases the efficiency of the pump. This compressor is ideal for builders using finish nailers.

The ENERGY 12 compressor incorporates a pressure switch for automatic cut-in and cut-out of the motor. There is a air flow regulator to maintain the correct pressure to the tools to suit your job requirements and 10mm quick release coupler for the air hose.

Specifications:

Length:	340mm
Height:	495mm
Width:	290mm
Weight:	13.2kg
Max pressure:	116 psi
Tank Capacity:	6 Litres
Motor:	1.5hp/3400rpm
Noise Level:	97dB
Free Air Delivery:	62L/min (FAD)
