

F1B84-16 Air Stapler

Features:

- Long nose for easy use.
- Rear exhaust.
- Rubber grip.
- Fast bottom loading magazine.

The F1B84-16 air stapler features a convenient bottom loading magazine with easy release and is light-weight for better manoeuvrability.

Staples feature a wide 12.3mm crown which gives good holding power, but is also discreet.

The fine flat wire staple is ideal for use when assembling light set design and prop construction for stage performances or when fixing protective cardboard into picture and wooden mirror frames.

This tool is commonly used in the timber industry for tagging and wrapping packs of timber.

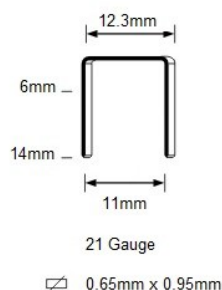

F1B84-16 drives the following staples:

Staple Code	Box Qty	Length
84/6	10,000	6mm
84/8	10,000	8mm
84/10	10,000	10mm
84/12	10,000	12mm
84/14	10,000	14mm

AN OUTSTANDING TOOL FOR:

- Canvas and leather work.
- Set/prop construction.
- Attaching strapping to building paper.
- Jointing wooden furniture frames.
- Fastening cardboard protective wraps.
- Applying plastic
