

F1B10F-16 Air Stapler

Features:

- Long nose for easy use.
- Rear exhaust.
- Rubber grip.
- Fast bottom loading magazine.

The F1B10F-16 air stapler features a convenient bottom loading magazine with easy release and is light-weight for better manoeuvrability.

Staples feature a wide 11.2mm crown which gives good holding power, but is also discreet.

The fine flat wire staple is ideal for use in upholstering leather, canvas, cotton and polypropylene fabrics for chairs and lounge suites and office partition screens.

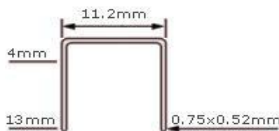

This tool is commonly used in the timber industry for tagging and wrapping packs of timber.

F1B10F-16 drives the following staples:

AN OUTSTANDING TOOL FOR:

- Canvas and leather work.
- Cotton and polypropylene upholstery.
- Attaching strapping to building paper.
- Fastening cardboard protective wraps.
- Applying plastic wrap to timber.
