

NEW!

CAB7437

Air Arm Carton Stapler

Features:

- Suitable for corrugated and solid fibreboard cartons
- Powerful air operation
- Foot activated
- Light weight design
- Replaceable head
- Maximum load capacity of 200 staples

Sets up flat box and lid or flap cartons in a few seconds. Contents can be packed at once as no drying time is needed.

Has a 30cm throat for easy insertion of cartons

Has a 90cm tall beam for deep cartons.

Average cartons erected with just four wide-crown staples.

Rugged construction with first-class engineering ensures trouble free operation.
