

### State of the Art Pneumatic Ringer

#### Features:

- Strong and Heavy-duty die cast body
- Quick loading magazine
- Second handle for greater control
- Cushion rubber grip

Designed for use in ground stability and road construction in many different applications. The second handle enables safe but fast driving of fasteners.

This tool is ideally suited for jobs that require a heavy gauge C-ring for fastening galvanised or stainless steel chain link and other wire products.

The AC50M has a fast loading magazine which holds upwards of 100 c-rings per load. Its small nose allows for accurate placement of rings.

#### AN OUTSTANDING TOOL FOR:

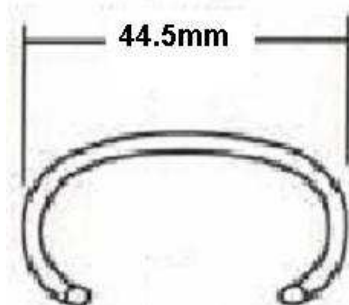

- Assembly of gabion bags
- Attaching wire products together
- Assembly of chain-link sculptures
- Assembly of wooden produce boxes

#### Specifications:

Length:	510mm
Height:	305mm
Width:	220mm
Weight:	7.0kg
Magazine capacity:	100 staples
Air Pressure:	60-100psi

AC50M drives 11 gauge C-rings

Product code	Box Qty.	Opening Size
AC50GAL	1,600	38mm
AC50HTSS	1,600	38mm
